INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1909; May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

The U.S. Court of Claims was established in 1855. There was no procedure by which claims arising against the U.S. Government could be enforced by writ. Consideration of claims was prohibited when the Treasury Department was established in 1789. Later act of the Congress authorized the Department to settle all claims by or against the Government. If a claim was referred to the Treasury Department, the claimant's only recourse was to appeal directly to the Congress. Petitions for redress of grievances against the U.S. Government were filed with the Secretary of the Treasury, and the Secretary would refer them to the Treasury Department for consideration.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the court at the time of the report to the court. Miller's rolls, applications for enrollment, and other documents filed by Miller and approved by the court were to be the basis for the distribution of the fund.

In a report of May 28, 1907, Miller stated that 41,417 separate applications had been filed, representing a total of 2,017,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund: 15,293 residing east and 14,961 residing west of the Mississippi River. On June 16, 1908, the court directed and approved the roll, compiled by Miller in accordance with the terms of the decree, as being entitled to a share of the fund. It was expected, excepted, and reported on August 7, 1908. After the exceptions had been investigated, Miller submitted a supplemental report on July 21, 1908. In this report he stated that 12,770 exceptions had been made, that the names of 14,961 persons, 7,480 east and 7,481 west of the Mississippi River, were added to the roll, and that the names of 44 persons, 22 east and 22 west of the Mississippi, had been stricken from the roll because of clerical errors in enrollment had been discovered. The final figure on the total number of persons entitled to share in the fund was 44,827, of which 2,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the IX file, the report on exceptions filed by Miller on January 5, 1910.

Dear Sir:

I saw notice of "in the" in  
the paper on me on yesterday -  
Would you kindly tell me why?  
If you travelled from Ash  
Co., N.C. you met hundreds who would  
testify that I am a Cherokee.

Is it because I failed to  
see you at Marion, Va? I went there  
for that purpose from my work in  
Ky. at an expense of some \$25., and  
the clerk told me no such person was  
at the Valley House

Now, now Chief, W. H. Blewitt

middle, and all my people, in fact know of  
my Cherokee descent, would his testimony  
avail me anything?

Dear Sir:-

I understand that you are in doubt as to whether my brother

The Willow-Handled Indians of American territory, in the same and low-  
lands of the south may have been able to do that very thing;  
but that has nothing to do with the matter as a result. All the subjects  
of the Cherokee people believe that all Cherokee names to be good

and the attorneys, etc. will have it all and the poor robbed and dispossessed Indians will have to go to work to buy attorney fees.

Mr. Miller, will you kindly tell me the origin of this "evening" tribal relations? I have been in it before. It has the earmarks of having originated from the gentleman in this case called to the White Top Band of Cherokee that they were the attorneys who had bought this case vs the U.S. and the Cherokee Nation. These gentlemen sent circular letters to the White Top Band that they must sign powers of attorney to them, giving them \$50,000 of money awarded, or they would lose it all. We refused to sign as doers, and we were then informed that we would never get a penny.

I hope all your "evening" tribal relations are concerning this evening of tribal relations; for if you investigate, however, you will see that it is no place in the adjustment of this matter either. Very truly yours

Hon. Commissioner Indian Affairs,

My Dear Sir:

I note in my paper this week that the Court of Claims is to decide whether the money due Eastern Cherokees is to be paid per stirpes or ~~heads of families~~ <sup>or per capita</sup>. And I haven't yet learned ~~whether~~ <sup>the</sup> way it was decided.

Now you may remember that I sent you several letters of inquiry on this point, and looking over all your answers, I see you told me every time not to make out any application blank neither for myself nor my six living children. I gave you credit for understanding your business, and took your advice. I made an application for my six children and only wrote their names on my application, which you will find on reference to Application Number 10203. (My mother's is No. 10202.)

There are parties here who declare I have lost out by not doing as they did, and apply in the name of each one of my children. If this be true, you can see how serious a position your advice has got me into, and I think you'll feel under grave obligations to see me safely extricated. If the money does go per capita, I hope, Sir, that you'll see that me and the six children do not lose because of the confidence I placed in your implicitly <sup>your</sup> following advice.

I hope to have an answer from you at an early date.

Very sincerely,  
J. C. Patton

Sir:-

Your letter of June 1, 1907, relative to whether or not you will be entitled to participate in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

In reply you are advised that under the terms of the said decree only those persons who can prove that they are descended from Eastern Cherokees, parties to the Treaty of 1835-6 and 1846, will be entitled to participate in said fund.

If you are unable to show that you had some ancestor who was recognized as a member of the Eastern Cherokee tribe at the dates of the Treaty of 1835-6 and 1846, you would not be entitled to participate in the fund.

You will find inclosed an abstract of the decree of the Court above referred to.

Sir:-

Replying to your letter of March 9, 1907, you are

November 19, 1907.

Hon. James T. Lloyd,

House of Representatives,

Washington, D. C.

Sir:-

Your letter of November 13, 1907, addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for reply.

In your letter you make inquiry relative to the application of Mr. J. B. Stamper, of Shelbina, Missouri, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee fund.

You are advised that this application has not been reached for final consideration, and we cannot state at this time whether he is entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 44,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Sir:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state whether your parents were enrolled in 1851, and if so, under what names?

If they were not enrolled please state why?

Give the names of your grandparents on both sides, and state whether they, or any of them, were ever enrolled as Eastern Cherokees?

Give the names of your aunts and uncles, and any other information obtainable tending to establish your right to participate in this fund.

In giving these names please be careful to write plainly and spell correctly.

Very respectfully,

FST/ELO.

Special Commissioner.

Lossie Peter Wolfe being first duly sworn through Martin Squirrel, Interpreter, deposes and says:

I am about 40 years of age. My parents were living in the Cherokee Nation East in 51 but I don't know whether they were living together or not. I came from ~~xxxxxx~~ North Carolina here with a band of North Carolina Cherokees that the Government sent out here in 1840 or 1841. I was just a small girl then and don't know what place we came from or what town. I remember going to the railroad and getting on the train but don't know what the station was. My mother came out here with me but my father had died before then. My father's name was Andy or in Indian A-nih-dih. I don't know who Andy's father was but his mother was named Lossie, the Indian is Loh-sih. ~~xx~~ Losie was a colored woman. Andy's father was a full blood Cherokee I have been told. My mother was a full blood Cherokee. Che-gay-you-ih. Her English name was Lancy. Her father's name was Dee-gah-se-pa-gih. Don't know of his having any English name. My mother's mother ~~xxxx~~ was named Che-noo-yuh-duh-ih. Her English name was Callig. My mother and her parents all drew money in 51 somewhere in the State of North Carolina but I don't know where. My mother had one sister named Annie or A-nih. A other sister named Nah-nih. Another sister named Ah-gah-te-yuh. She had a full brother named Si-he-gih or like. Another brother named Gah-naw-skee-skih. I remember of Andy having one brother named Jo-wuh. Don't remember of any other. My father died in North Carolina and my mother died out here on Saline creek, eight or ten miles from here. I am positive that ~~XXXXXXXXXXXXXXXXXXXX~~ my parents were enrolled in North Carolina in 51. Nellie Walker is no relation to me. Tom Daniels is my sister Celia's son. Celia is still living near Mucha and goes by the name of Celia Budd. Celia Budd and Cynthia Blackbear are my half sisters on the ~~xxxx~~ mother's side. Cynthia is now past 40 years of age. Celia and Cynthia's fathers came from North Carolina but I don't know anything about their ancestors on that side. I am a Night Hawk. I and my people have always lived with the Cherokees. I don't know whether my grandmother Lossie was a slave or not. I and my sisters shared in the Strip payment.

I am about 41 years old. Celia  
Dave Budder or Buder; is my wife. My wife was born back in Old  
Nation; my wife's father was Dec-squal-da-gee and her mother was  
Che-ka-you-ih. ~~They were #5111111111111111~~ The parents of Che-ka-  
you-ih were Chee-noo-yuh-da-gih); that was the name of her  
mother: I do not know the name of her father; I do not know the  
names of any of the brothers and sisters of Che-ka-you-ih;  
I do not know who were the parents of Dec-squal-da-gee.  
My wife came out to the Indian Territory about 1878 and 1879. I think  
she was enrolled on the roll of 1880/ out in the Indian Territory:  
Her mother died in the Indian Territory. Both the parents of my  
wife were full-blood Cherokees. Lossie Wolfe's father was a full  
blood Negro. My wife has always been with the Cherokees in Indian  
Territory and drew in all the payments of money made to the Cherokees.  
I do not know where my wife lived in the east before she came out here/  
My wife never had but one child by George Daniels; Daniels:  
If there is one who has filed an application by the name of Tom I  
think that he must be the one that I have included in my application  
#9131, under the name of Jeff. Jeff's Indian Name Oo-lo-gi-lah .  
My wife is a full-blood Cherokee.  
I do not know the names of any of the brothers and sisters  
of Dec-squal-da-gee.

*This witness don't know much about  
his wife's people and says his wife  
came out here when a baby and don't  
know very much about it then he does.  
Don't know of anyone in this country  
that can testify as to his wife's relatives in  
the East.

Sir:

There is enclosed herewith a letter addressed by this Office to Seale Blackbear, Locust Grove, Oklahoma, but returned by the postmaster at that place, endorsed, "Return. Unclaimed. Night Hawk." This Office fails to see why his being a Night Hawk should prevent his receiving mail from the Office of the Commissioner. It is, however, noted that, in his application, he gives as his postoffice "25 miles N. E. of Locust Grove, I.T." and it may be that you will be able to reach him in that way. You no doubt recollect that this party certified to his application before you.

In case you know his present postoffice address, kindly communicate with this office, referring to MM-10211.

Very respectfully,

Special Commissioner.

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

Louisiana Brown being first duly sworn deposes and says:

I live at McGrady, Wilkes County. I think I was born in Ashe County. It was Ashe or Alleghany one. I am about 58 years of age. I moved to Wilkes County in 1866, and have lived here ever since. Henry Wagoner was my father, and Charletta Sizemore my mother. I claim my Indian blood only through my mother. She died in 1865, and was over 50 years of age at the time. I do not know where she was born,--Over in Ashe or Alleghany one. Her father was Owen Sizemore. I have seen him. He died since the War, and after my mother's death. He was very old when he died. I never heard where he was born. I knew him very well, but was small at the time. His father was said to be Ned Sizemore. They tell me this, but I never heard him say those son he was. I heard that he was a son of Ned Sizemore about six, or eight or ten years ago. Before that I had heard of Ned Sizemore many a time, but did not know what relation he was to me. I have never heard where Ned Sizemore came from. When I was a small child, a man called Farnett, came to my mother and told her that they were related and both had Indian blood. That is all I have heard about it. He did not say what kind of Indian blood it was. I never heard my mother say anything about it. I never heard my grandfather say anything about it. My grandfather, my mother, and I have always passed in the community as white people. None of us have ever received any money as Indians, so far as I know. Owen Sizemore (my grandfather) had brothers and sisters, but I do not know their names. One of my mother's sisters was Polly, one brother (name), and the other Anderson. I never knew of any other brothers or sisters of my mother. I never heard of Dr. Johnny Souard, or Dr. Johnny Sizemore.

SUBJECT:  
Report on application  
for enrollment.

Cherokee, N. C., April 1, 1909.

Hon. Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Referring to the enclosed letter stamped 22624, from Chester Arthur Stamper, Springfield, North Carolina, asking me to report on his application for enrollment, I have the honor to submit the following: Neither the name of the applicant nor the name of his mother can be found on the Churchill Roll, and the chief of the band and one of the principal members of the Council are both of the opinion that they are not entitled to such enrollment. From the fact that Mr. Stamper states that his mother's number for the minor children is 10214, I believe that his application is for enrollment on the Guion Miller Roll, to share in the fund found to be due to the Cherokees by the Court of Claims, and I respectfully suggest that the enclosed application be forwarded to Commissioner Miller. I understand that many Indians entitled to enrollment on the Miller Roll are not entitled to enrollment with the Eastern Band of Cherokee Indians. Mr. Stamper's application is returned herewith as requested.

Very respectfully,

*Frank D. ...*

You failed to appear or produce any witnesses, and as we will not be in your section of the country again for the purpose of taking testimony, it will be absolutely necessary for you to answer each of the following questions. If you cannot answer any of the given questions, state why, that we may know it has not escaped your notice.

2. How are you recognized at the present time in the community in which you live? That is, are you considered white, colored or Indian? If colored, were you or any of your ancestors ever held as slaves, either by Indians or white people?
3. Did you or any of your ancestors ever reside with any tribe of Indians as recognized members of the tribe? (If you answer Question 3 in the affirmative, give the name of each ancestor who lived with the Indians, state when and where they lived with them, and give the name of the tribe).

COURT OF CLAIMS  
EASTERN CHEROKEES  
Rec. JUL 14 1908

Donnoka, N.C.,

July 10, 1908.

Mr. Guion Miller,

Washington, D.C.

Dear Sir:-

I wish to give you once more the ancestry of Elizabeth Poindexter, as it was told over and again in the following mysterious manner by her son, John G. Poindexter, to his children and myself, as we sat around his old ancestral fire-side sixty or sixty-five years ago.

He said:- "William Pledge (nickname Bill) married the daughter of an Indian chief of the Cherokee nation. Her name was Bettie Donahoo. My father's name was Thomas Poindexter, and my mother's name was Bettie Pledge. Her mother, whose maiden name was Donahoo,

was the daughter of a Cherokee Indian chief,  
and her (Bettie Donahoo's) mother was white.  
Bettie Donahoo was the wife of William Pledge.  
William Pledge was the father of Bettie  
Pledge. Bettie Pledge was the mother of  
Bettie Pledge, and she (the older Bettie)  
was the daughter of the Cherokee Indian  
chief."

Mary Wentworth was the white woman  
referred to in the above article.

Yours truly,

*Pleasant H. Poindester, Sr.*

Donnoka, N.C.,  
July 10, 1908.

Mr. Guion Miller,  
Washington, D.C.

Dear Sir:-

I have been intending to write to you ever since you were at East Bond, N.C., but have neglected it until now. I wish to correct a mistake, which I think I made in my testimony. I think you asked me where the children of Thomas Poindexter were living at the time of his death, and I think I answered that they were living on his lands. But all of them were not. It has been my understanding that all of them were living in Surry Co. The furthest one lived ten or twelve miles down the river. They were all here when the land

was divided among the wife and other children in Nov. 1807. When Uncle Pledge's interest in the land was sold, it was divided among the heirs. Uncle Arch was in Monroe Co., Ky., when he sold his lot of land. If I am not mistaken Uncle Pledge moved to Mason Co., N.C., now Cherokee Co., in 1832. Aunt Betsy and Aunt Patry moved to Tennessee, and Aunt Polly to Missouri. All of their families moved at the same time. The remaining eight children died here in Surry Co. Humphrey Jones was the name of the Cherokee Indian, who ditched her father.

Now concerning Nancy Vest, I will say that I knew her from early childhood, and knew that her name was Pledge, and that she was related to us. She was the only person I ever heard call Uncle John G. Poin-dexter cousin, and I know that he claimed that his grand-mother was half Indian, but

I did not know exactly what relation she was to me until Dec. 1906, when I asked her grand-daughter, Mrs. Martha Sharp. She said her grand-mother's father was Frank Pledge; that her mother was a Poindexter, sister of Thomas Poindexter, and that Thomas Poindexter's wife was Frank Pledge's sister. So she was a double cousin to my father's uncles and aunts. She said too that Frank Pledge was an officer in the Revolutionary War from Virginia, and that his father married an Indian chief's daughter. So it is plain to me that Frank Pledge was of Cherokee blood.

Now a few words about my mother's people. She first married Benjamin Pettitt, Sr., of Aunt Patty Pettitt. They were both of the same name. He was a volunteer in the Revolutionary War and died during this war. He left a widow and one son, Benjamin, Jr. He died at King, N.C. in Feb. 1906 at the age of 93. My mother's grand-father came from Goodland Co., Va. His name

was Job Martin. He came here with my grand-  
father Poindexter. His daughter, Nancy, married  
Leonard Scott, Sr. His son, Samuel, married  
Aunt Ann R. Scott's daughter, Elizabeth P.  
Scott. My mother's brother, Job, married  
Malinda Scott, sister to Elizabeth P. My  
mother's sister, Mary, married Robert Scott,  
brother of Elizabeth and Malinda.

Well, Mr. Miller, I believe you think  
the kinship is very badly mixed, but I  
believe you are mistaken. I believe I must  
I fear I have worried you, but I trust  
that I have not. I hope I have not  
release you. I would like to have had a good  
talk with you at East Bend, but I saw that  
you were busy all the time at your business.  
But I was glad I got to meet you once in  
life. Now I will say in conclusion that I do

Poindexter, N.C.,

Jan. 6, 1908.

Special Commicloner of the Court of Claims,  
Washington, D.C.

Dear Sir:

Your inquiry concerning my relation to the Eastern  
Cherokees to hand.

We do not claim any blood relation to the Eastern Cher-  
okees through any other line of decent than our great grandfather  
William P. Poindexter, commonly known as "Billy Wag", son of  
Thomas and "Betty Pledge" (Elizabeth) Poindexter, daughter of  
Indian Chief Donnahoo of the Eastern Cherokees

William P. Poindexter was born Dec. 7, 1767; died March  
3, 1844. In 1835 he was living near Donnaha, Surry Co., N.C.

Thomas Poindexter was commonly called "Pledge", hence  
the name "Betty Pledge".

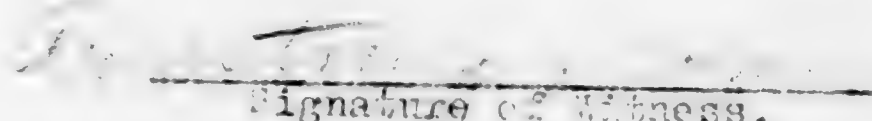

Yours very truly,

Poindexter--Junalusky.

Armstrong Cornsilk, being first duly sworn, in behalf of of parties claiming through one Junalusky, deposes and says, through Lewis H. Smith, duly sworn and qualified as an interpreter:

That I am 66 years of age. I live in Graham county, N. C., and am a full blood Cherokee. I knew an Indian whose name was Choo-noo-lah-huh-skih, called by the whites Junalusky. He was a full blood Cherokee Indian and died in the year 1853 or 1854. I heard that he was in the Creek war in 1812 and made quite a name for himself there. He fought in the battle of the Horseshoe. I heard that the state of North Carolina gave him land here near Robbinsville, N. C., because of the services he had performed in the army. I don't know how old he was but to make a rough guess I would say he was about 99 when he died, and was buried about 300 yards from the town of Robbinsville. He had two children. The oldest was Tse-sqa-gah-loo-tyah, a boy, and Suh-que-yah, a boy. ~~And~~ The first one died about 26 years ago, and the second one died in 1858. The youngest one never had any children. The second one had several children but they were all full blood Cherokees, and are all dead unless it might be one. His widow, whose name is ~~Ka-dih~~ Ka-dih, is still living up in Swain county, N. C., near Birdtown. I never heard of any one by the name of Bettie Pledge or Bettie Pledge Poindexter, and never heard of Junalusky having any relatives by that name.

Pointexter.

John K. Martin being first duly sworn deposes and says:

I live in Patrick County, Va., and have lived there since the Surrender. Two years before the War I was practicing medicine in Stokes County, N.C. I was born and raised in Davie County, N.C. I have known the Pointexters since I was a boy. My father and they lived over in Yadkin County, and I lived in Davie County. I remember John and Pleasant Pointexter. I knew John Pointexter as a boy would know an older man. I do not know what relation Jack Pointexter was to Thomas Pointexter. They were recognized as white people in the community, but I have heard them speak of as having Indian blood. They prided themselves on their Indian blood. I am 78 years of age. Jack Pointexter was a white man when I first knew him as a small boy. I never heard him speak of Chief Donnahoo. I know a Mrs. Jennie Pointexter, who was a sister of the Cherokee Indians. I do not know whether she was a Pointexter before marriage or not. I do not remember whose wife she was. She lived in Surry County at that time, and the nearest postoffice was what is now Feather Cross. I have heard her speak to the children incidentally about trouble with the Cherokee Indians and familiarity with some of them. I never heard her speak of Chief Donnahoo. I never heard her speak of Bettie Fledge. I never heard her say that she, herself, was an Indian. I have never heard Jack Pointexter say that he was an Indian, except that he rather prided himself that he had some Indian blood. Jennie Pointexter was about the same age as Jack Pointexter when I first knew her. John Pointexter married ~~XXXXXXXXXXXXXXXXXXXX~~ a Clincher, and was the father of General Clincher, who is now about 70 years of age.

MARY R. MARION, being first duly sworn, deposes and says:

My name is Mary R. Marion; I am 62 years old; I live in Surry Co., my P. O. is Pinnacle, N. C. I was born right near --right across the mouth of the Ararat River, in Surry Co. My father was W. R. Lovell; my mother Eliza G. Reeves. I am related to the Poindexters through my father, his mother being Sally R. Poindexter, the daughter of Thos. Poindexter and Elizabeth Pledge. I claim no Indian blood other than through Betty Pledge. Sarah R. Poindexter was born on the farm that Pleasant Poindexter lives on, the old homestead, in Yadkin Co. Betty Pledge Poindexter (my father told me, and he died a month ago at the age of 95) ~~she~~ came from Va., and her father was Wm. Pledge. He did not say where Betty Pledge was born. The wife of Wm. Pledge was Betty Donnohoo; I cannot tell you where Betty Donnohoo was born; my father could not remember it. I do not remember where Betty Poindexter was born; we have the record, but it is worn off so we cannot tell. I have heard that the father of Betty Donnohoo was Donnohoo, a Cherokee Indian chief, who lived finally in his last home in Yadkin (we think he did). I don't know where he lived before that. I never heard that he lived in Va. I never heard that his daughter, Betty Pledge, lived in Va. I never heard where Thos. Poindexter came from. I am generally regarded in the community as a white woman, and my father passed as a white man. I never enrolled as an Indian, and my father never told me that he was enrolled. He never got any money from the ~~Government~~ <sup>Indians</sup> except what he worked for, as he was an ~~Indian~~ <sup>doctor</sup> among the Western Cherokees, at Vinita, I. T. He practiced there for about 10 years, began practicing there in 1867. The Cherokees offered tribal rights if he would stay there, but he did not claim any rights at all. Then he moved to Mo., and died there. So far as I know, he never made any claim. My cousins in Mo. have the old family record and from it I give the information I now give: Jas. Lovell was born in N.C. in 1780, and his wife Sally R. Poindexter was born Apr. 6, 1784, and Thos. P. Lovell, their son, was born May 2, 1808, and Edw. F. Lovell was born Feb. 19, 1810; Wm. Radford Lovell, April 5, 1813; (he was my father); Jas. Alexander Lovell Apr. 4, 1829. Jas. Lovell was married to Sally Poindexter, June 7, 1807, at the old homestead near Donnoha.

Dear Sir:—There seems to be a mistake about my claim some way. I have  
received two cards for my self individually, besides the card for my  
daughter Eliza Jane Garratt. I have filed only one application for  
my self individually. One of my applications come through Belva A.  
Lockwood of Washington which card is Numbered 10242 and the other card  
come direct to me as Number 13442. I have not authorized Belva A.  
Lockwood to file any application for me and I have by no means any  
authority which she may have for filing any application for me or  
to prosecute any claim for me. I filed my claim direct with the Dept.  
and have no attorney at all. I did give her a power of attorney, but  
furnished her with no application at all to file for me and disregard  
her and filed nothing with her to be filed by her with the Commission  
er. I have already filed for my children with old form blank which I  
am afraid is not sufficient, hence I fill this on. I also fill this

I do not know where my great-great-grandfather was born.  
My mother has always told me that John Martin was enrolled as  
an Indian in 1835. My mother never visited the Indians, nor  
do I remember them visiting her. My mother often told me  
that some of our connections on the Martin side went West with  
the Indians and some stayed in the East. I had several brothers  
and sisters, but do not know if they are now living. Their  
names are Jerry, John, James, Joseph and Louis, and Harriet.  
My mother had several brothers and sisters, namely, Andrew,  
Jackson, Malachi and Meredy and Harriet. These latter were  
all named Ponder. All I know about my great-great-grandfather,  
John Martin, is that my mother told me he was a Cherokee Indian,  
and he was descended from him. This is all I know about the  
matter.

My name is David Lunsford and I reside at Kyle, N.C. I am seventy-four years of age. I am appearing as a witness in this case for Annie L. Lambert; I have known her since she was a child. I have known her mother ever since 1871. Her mother always told me that she had Cherokee Indian blood and that she was descended from John Martin. She has told me that John Martin was enrolled as an Indian and was recognized as a member of the Cherokee tribe. Her mother and my wife have sat for hours at a time and talked of John Martin, who Mrs. Ponders always claimed as her great-grandfather. I have been present at such times and heard the conversation. They were always recognized as white with Indian blood. Her brother, Ceready Ponders, resembled the Indian more than she. This is all I know about the matter.

Eli Rose being first duly sworn deposes and says:

I am 60 years of age, and live in McDowell County, W. Va. I have lived in McDowell County about twelve months, but formerly lived in Wyoming County and other parts of this state. I was born in Wyoming County, W. Va. I claim to have Indian blood in my veins--it has been said by the older generations that my family was descended from Indian ancestors. I get this Indian blood on my mother's side. Her name was Virginia Sizemore before she married my father, Hoel Rose. She has been dead about 37 years. She died in Wyoming County, W. Va. She lived in Wyoming County for years and years before she died. I was told she died in Wyoming County, as I lived in Virginia at the time. She had raised 15 children. The youngest would have been about 16 years old when she died. She was what you might call an old woman. Virginia Sizemore's father was Ned Sizemore, Jr. Ned Sizemore, Jr. was said to have died in Webster County, W. Va. I have seen him many a time. I was in the War, and was wounded at Lynchburg, Va. and do not remember seeing my grandfather after the War. I do not remember that he ever spoke to me about his Indian blood, as it was since his death, and since the War that I lived with my people. It has always been said that they were Cherokee Indians. I never heard anything else. I never got any money from the Government on account of my Indian blood. I never got any land nor applied for any in the Indian Territory. My grandfather, Ned Sizemore, Jr., was a law, heavy-set man, and said to be a good fighter with his fists, but I never considered him a large man. I never heard of my grandfather preaching,--in fact, he liked whiskey pretty well. His brother, George Sizemore, was a preacher, and I remember once hearing that he told grandfather, Ned Sizemore, that he ought to stop that drinking, and grandfather is said to have replied, "I'll be starved if I mustn't!" That was a common word with him. George Sizemore lived over in Wyoming County in his lifetime. I never heard of him living anywhere else. He was a powerful preacher here among the people. He was a Hard-shell Baptist. I have heard him preach many a time. He was a very tall, spare man, red and rough. The old man George Sizemore must have been at least 65 years of age at the time I heard him preach. His looks would have proved that he was half Indian, at least. I have seen a good many Indians in shows. I have seen my great uncle, Owen Sizemore. I have seen old Hiram Sizemore, but didn't know whose son he was. I have heard him preach too. He was a pretty old man when I saw him--65 at least. He was even darker than old Uncle George--not so powerful sleek, but rough. I never heard of any of my Sizemore ancestors ever getting any money or benefits from the Government. George W. Sizemore and my wife, Lydia Rose, (#10246), both of whom are present, perhaps know more about my family than I do.

GEORGE W. ROSE being first duly sworn deposes and says:

I have heard the testimony of my brother given above, and it is substantially correct so far as I know, but I would say since I lived in our family as a young boy and young man, I have had a better chance to know and hear of our Cherokee Indian ancestors than my brother—as he did not live in the Sizemore family until after grandfather, Ned Sizemore, died. He died in the Fall of 1866. He lived and died in Webster County, W. Va. He went to Webster County from this country just before the War, which was then Tazewell County, but now Wyoming County. I have heard him talk about his Indian blood. He always said he was Cherokee Indian. I have seen his brother, George Sizemore. He was a preacher, and I have heard him preach many a time. He died after the War. He was an old man. He looked like an Indian to me, and always claimed Indian blood. I do not know whether Ned Sizemore or George Sizemore ever visited the Indians. I always heard that George and Ned lived in Ashe County and Wilkes, N.C., and came here from that section. They all had large families. My grandfather, Ned Sizemore, Jr., had a son Owen, who died in Lincoln County, W. Va. about six years ago. My great grand uncle, George Sizemore, had a son Owen who died in Wyoming County last Fall.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why your father and mother were not enrolled in 1851 if, as you say in your application, they were living at that time?

Why were your grandparents never enrolled?

Why have you never been enrolled?

The names of William Noble Griffin and Delila Griffin do not seem to appear upon the Rolls. Is this the only source through which you claim to participate in this fund? What makes you think that William Noble Griffin was an Eastern Cherokee Indian? Please state whether any of your ancestors have lived with the tribe since 1800? Were any of your ancestors slaves?

Give any other information obtainable tending to establish your right to participate in this fund.

An early reply will be appreciated.

Madam:-

Relative to your application #10253, in which you state that you claim by reason of your father, Boots, and mother, Lizzie, and mother's grandfather, Dick Scott, will state that I cannot find the names as you have given them upon the roll of 1851. You have given the date of your birth as 1852, in the Tahlequah District. Were your mother and father enrolled in 1851? If so, in what district and under what name? Were they enrolled as Emigrant Cherokee Indians or as "Old Settlers"? Have you any brothers and sisters living? Have they filed applications in this office for a part of this fund? If possible, find out in what district your father and mother were enrolled, and under what names. It is absolutely necessary that I have this information, in order to trace your connection with the Cherokee Indians. In what month were you born in 1852? Had you any brothers and sisters living in 1851, and were they enrolled, and under what name?

Your prompt reply will be appreciated.

Respectfully,

Gentlemen:-

On Aug. 21, 1907 I received  
a letter from you stating  
I would be given due advise  
and consideration when  
my application was reached  
for final consideration. Up  
to date of writing I have had

no word from you, but my  
brother, John P Harris, of Selma,  
Kans. was notified to appear  
at Columbus, Kans. the 21st  
day of Aug. 1908. Our papers were  
made out at the same  
time - together - Is this  
the reason why I was not  
notified? Do you notify  
only one in the family?  
or why was I not notified?

Thanking you in advance  
for an early reply, I am,

Very truly,

I am 54 years of age; was born in Fulton Co., Ky.  
I claim Cherokee Indian blood through my grandmother on my mother's

died when I was young in Missouri. I do not know if she ever  
received any Indian money from the government. I have seen my  
grandmother who was the Indian. Her name was Blythe. She was  
living in Arkansas when I saw her. She moved to Arkansas

WASHINGTON, D. C. January 25, 1908.

Famous Smith,

Webbers Falls, Oklahoma.

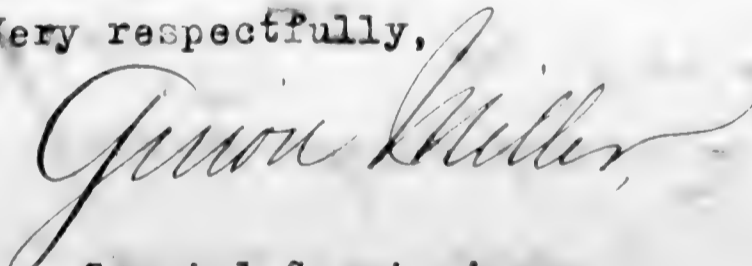

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, Eliza Smith, who you state was enrolled in Tahlequah District, Cherokee Nation, with the Eastern Cherokees, in 1851. The name of your grandmother, Susannah Fields, also the names of your aunts and uncles, appear on that roll, but your mother's name fails to appear with that family group. If she was enrolled at that time, as you state, she must have used a name other than Eliza Smith or Eliza Fields; was she known by a name other than these at that time? It is necessary that you give the name under which she was enrolled at that time. Are you sure she lived in Tahlequah District in 1851? Was she married and living with your father then?

Do you claim Cherokee blood through your father, Samuel or Cabin Smith?

Please give this matter prompt attention and refer in your reply to No. 9402---10265.

Very respectfully,

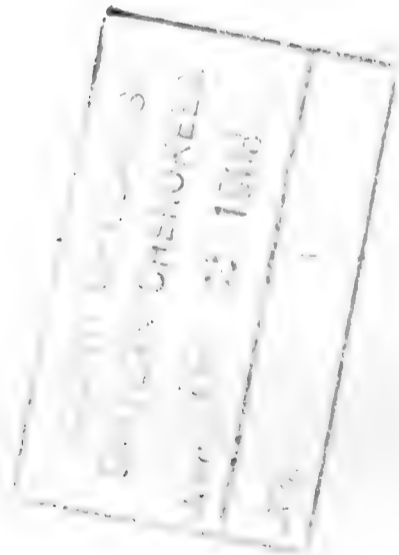

Special Commissioner.

Commissioner of Indian Affairs

Dear Sir: —

I have made an application to you for enrollment of Eastern Cherokee. My claim has been received and my no. is 10277, but there is a matter I would like to ask about on the application which I filled out there was no provision for children. Since then I have seen a form

which requires the  
names and ages of all  
children of applicants  
born before May 28, 1910.

Having four children  
I send their names  
and ages, hoping if  
they are entitled to  
enrollment that they  
will be considered.

Yours very truly

Robert H. Burnett.

My name is Nellie Holt. My age is 51 years. ~~she~~ I lives in Sequoyah County. Was born and raised in the Territory. ~~Is~~ ~~is~~ the mother of Minerva Wooley. Minerva Wooley was enrolled by the Dawes Commission, Cherokee Roll No. 27288. She got the strip money. She gets her Indian blood from her father. She was born and raised in this county. I am an Old Settler. My husband was Bill Holt. He is not living. He died in 1890. He was born out here. I think he was enrolled. He would be about 60 years old if living. He lived in Sequoyah District. One brother was Mose Holt, another named Dan Holt; I think they were younger than him. He had a sister Lizzie Holt; a sister living by the name of Sarah Holt. William Holt's father was called Tuxie Holt. Tuxie means something like Terrapin, or Tarpin. Lizzie was the oldest. Wm. Holt got his blood from both parents. (G. S. §48.) They lived on Bigby's Creek, Sequoyah District. Tuxie Holt's father was Willim Holt and his mother Jennie Holt. Tuxie Holt's wife was Sarah Fivekiller, and she was a sister to Rachel Fivekiller and Jennie Fivekiller and Polly Fivekiller. Jack Fivekiller was their brother. Tuxie Holt came from the East I think, but do not know exactly which State he came from, but he came when the Cherokees came out. He was Emigrant, and settled in Flint District. They never lived in Going Snake that I know of, but they moved around a good deal. They were always Cherokees. Jennie and Rachel lived in Flint District. Polly also lived in Flint District.

No. 10280

*[The main body of the document contains extremely faint and illegible text, likely representing a legal or administrative record.]*

# 10280-10278

Muldrow, Oklahoma, January 22nd 1908.

Honorable Guion Miller, Special Commissioner

Court of Claims, Washington, D.C.

Sir:

In answer to your letter of January 9th 1908, with reference to Applications No. 10280-10276 will say:

When I put in this application I understood that the money would be paid out in shares, and I made application for the shares of my father William or Bill Holt and my Grand Mother Sarah Holt.

My grand parents on my mothers side were old-settlers, but I claim ~~it~~ through my father and grand parents on my fathers side.

My fathers name was in Cherokee language "Se-ge-gie" Holt or in english he was known as William or Bill Holt, and was born in about the year of 1849 or 1850, and died here in 1890, and was supposed to have been on the 1851 roll. He had one sister older than he that should be on the 1851 roll, her name was Lizzie Holt in english ~~she~~ she died in 1879.

My fathers father, was named in ~~english~~ Cherokee "Duxie" Holt, he had one sister named "De-yan-a-qua"

My fathers mother was named Sarah Holt in english or in Cherokee Sa-rah Duxie" these should be on the rolls as they lived in the Cherokee Nation and I understand they drew money in 1851.

I do not know when my grand parents died and it is possible that they died before the 1851 roll was made but they should be on rolls that were made before that time, and my father should be on the 1851 rolls.

If this does not clear the matter up, please notify me at once and I will see if I can find out other information.

Very Respectfully,

William Holt

That her maiden name was Cornelia Mitchell, that she had a brother named William Mitchell and a sister by the name of Elva Mitchell these parties lived in Sumpter County, Alabama when affiant first heard of them; It was always his understanding that Mrs Cornelia Rushing formerly Cornelia Mitchell had Indian blood in her and was of Indian descent, that affiant has often heard his grand mother Mrs Elizabeth Meador, and his Aunt Mrs A C Newberry speak of Mrs Cornelia Rushing being of Indian descent, that all he knows of the said Mrs Cornelia Rushing being of Indian descent is from reputation, that the said grand mother Mrs Elizabeth Meador and his Aunt Mrs A C Newberry were related to Harrison Rushing husband as aforesaid of the said Cornelia Rushing lived neighbors to them both in the State of Alabama and after they all came to Texas and were in a position to know the genealogy

of the said Cornelia Rushing; affiant further says that from the facial and physical appearance of the said Cornelia she resembled an Indian and that he verily believes that she had Indian blood in her and was of that descent; that affiant is now sixty five years old and many years the junior of the said Mrs Cornelia Rushing.

Before me W. Eustace a notary  
Public in and for the County and State  
aforesaid on this day personally appeared  
Mrs J. D. Thomas a person to me well known  
and after being by me duly sworn on oath  
says that she was seventy years old on the  
30th day of last November (1907) that she resides  
in the town of Malakoff Henderson County  
Texas, about ten miles from Athens the County  
seat of said County, that she has resided in  
this County about 38 years, that she came  
to Texas before she was grown first to Anderson  
County which joins this County on the south,  
that Harrison Rushing who was the father of  
Jim Rushing was the half brother of affiant  
that the maiden name of affiant was Price,  
that she has known Jim Rushing who now

about 44 years old, that she knew the grand

that she knew them from her infancy up  
to the dates of their deaths, that the grand mother  
married a man by the name of Mitchell that  
she don't know the given name of the  
grand mother but the maiden name of the  
mother of the said Jim Rushing was Cornelia  
Mitchell, that the said Cornelia and Harrison Rushing  
married in the State of Alabama she can't remember  
the County but thinks it was Sumpter County, may  
be Choctaw County; they married when affiant was  
yet a small girl. She knew the said Harrison Rushing  
and the said Cornelia until they came to Texas  
sometime about 1850, that the grand mother  
Mrs Mitchell died in Alabama. That the

said Cornelia had two brothers one named William and one name Felix (called him Flee) and two sisters one named Elva and one named Mahala. Affiant says she was too small to recollect the grand mother of the said Jim Rushing and therefore can't know whether she claimed to be part-Indian blood, but has often heard her daughter Mrs Cornelia Rushing, formerly Mitchell, claim that her mother was part Indian and that she the said Cornelia had Indian blood in her; that affiant was well acquainted with the said Cornelia and that she resembled an Indian very much had high cheek bones, dark coarse hair, walked very erect, had the look of an Indian out of her eye, she often claimed to be of Indian descent and seemed to be proud of it; affiant says that she has no doubt but what the said Cornelia was of Indian descent and claimed that she derived her Indian blood from her mother the grand mother as aforesaid of the said Jim Rushing. Dear Sir yours to hand in this  
will say that the reason why I never was enrolled is  
because when myself and my Uncle James Robert  
Pushing sent our claims in to R. M. Williams  
& Co they wrote us that the Court ruled against allowing  
our further claims and they had <sup>sent</sup> our claims to  
Washington to await judicial action, and so we  
waited to hear from them and so we cant find  
them at all, so we made another effort with another  
set of claims a little over a year ago, my abel took  
care of my and then did not do a thing for us,  
so you see we have paid our money to men to put our  
applications through for us and they never send up  
our paper, so you see how we have been treated.  
Now about Grandmother speaking being enrolled  
I could not say whether she was or not, because  
she died before I was old enough to know anything  
about it and my own mother died when I was small  
but according to the best information and circum-  
stances I can get we must have belonged to the Cherokee Tribe.

also will say that she was an old sister of  
mine. Now in regard to further information, I  
suppose my uncle's name is to Rushing has  
given you all that I know and perhaps more, so  
I have done the best I could and hope that it will  
prove satisfactory and that we may be successful.

I remain yours truly

Dear Sir,

I write you again that I may tell you what I have gathered as evidence, I have a recent letter from my Aunt in Texas, she wrote me that she knew my Grandmother Mitchell personally, and that she was actually a half Indian of the Cherokee tribe, and that they lived in Texas in 1854, that is my Parents and my Grandmother Mitchell was in Texas 54 years ago, which of course would put them Old Settlers in 1854, also, Cousin Grand, living is 60 odd years old, and can testify to this same statement and possibly more definitely, now if you think it necessary

Special Commissioner

Washington D.C.

Dear Sir. Pursuant to the 10th to  
hand and to tent's due notice, was very glad  
to hear from you in regard to my claims, I note  
your inquiry as to whether my Father & Mother were  
living in 1851, as it is a matter of fact they  
were living at that time - because I myself was  
born August 28 - 1863, that looks as though I was  
living in 1851, but do not know just where they  
were living at that date, also as to Grand Mother  
Mitchell ever being enrolled I could not say because  
this all having transpired before I was born,  
and Mother being unlearned and moving away into  
Texas where she never heard or knew anything  
more about it, more than to just speak of being  
part Cherokee Indian, the reason I never was enrolled  
because I did not know there was any chance for

1894  
me until the year of ~~1894~~ I was living in  
Texas not far from where I was born and  
there was some of my neighbors got news that  
there was a chance for them to apply for their  
rights as they were part Indian. when they noticed  
me and I immediately wrote to the lawyers that was  
working for them and got blanks and made out  
my applications and sent it up to them here in  
the Territory together with \$2000 for filing fees,  
and occasionally I would get a letter of great in-  
couragement from them, finally in course of a  
year or more I received a postal card from them  
stating that the Courts here had ruled against  
allowing any more claims and they had taken mine  
with some other favorable ones and sent them up  
to Washington to await judicial action and this felt  
sure that I would have no trouble getting on the roll,  
since that time I never have heard a word from them  
neither any one that ever knew them, so a little over  
a year ago some more lawyers took my application and  
they got my money and lay down on me, so then the Law

Commission published and advised Claimants to apply  
to them for Warrants will them out and send them  
up, and so you have the whole matter from start  
up to this writing, so you can no doubt look back down  
the line and see why I am not enrolled, Now I will  
further more state that I have one more witness  
that knew Father & Mother before the war, so I  
will write him at once and get his affidavit  
and send it in just as soon as I can get it here, so  
hoping this will prove satisfactory and trusting that  
we may be successful in receiving our just rights.

I am very truly Yours

James Robert Rushing

P.S. referring to Grand Mother Mitchell Oklahoma  
being an Old Settler, will say that she never  
did come west into Texas, they might  
have come to this Territory in the Treaty of

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

No. 10293.

Mary Price, being first duly sworn and examined,  
deposes and says:

My name is Mary Price; I was born in Sequachie Co.,  
Tenn., in 1839. I am sixty-nine years old; I claim my  
Indian blood through my mother and father both; my  
father's name was Norman Mansfield; my father was born in  
Sequachie Co., Tenn. in 1813; I also claim Indian blood  
through my mother; my mother was born in Sequachie Co., Tenn.  
in 1820; my mother's maiden name was Jane Hainey;  
my father claimed his Indian blood through his father; my  
grandfather's name was William Mansfield; I think my  
grandfather was born in N. C., I do not know what county;  
my mother got her Indian blood through her father; my  
mother's father's name was William Hainey; my grandfather on  
my mother's side died when my mother was about eight years old;  
I was never enrolled and none of my ancestors through whom  
I claim were never enrolled that I know of. I never had an  
opportunity of being enrolled; none of the ancestors through  
whom I claim were ever held as slaves; my father and mother  
were always regarded as white people; my father and mother never  
lived with the Indians as a member of a tribe; I was always  
regarded as a white woman in the community in which I live;  
I first learned of my Indian blood at school; my father and  
mother never said very much to me about it; I have been  
told that I was three quarters Cherokee by the Indians; I have  
always been recognized as being part Cherokee; none of  
my ancestors went west with the Indians when they left this part  
of the country. My mother told me that my grandfather,  
William Mansfield, was a full blooded Indian and that he lived  
the life of an Indian, making baskets and hunting and fishing.  
My father, Norman Mansfield, was a minister of the gospel  
and preached to white people. (He was generally called the  
Indian minister).

"These families of John Fields, Sarah Fields, Margaret Still, Mary Evans, with the orphan boy, John Still, could produce no proof to show their Indian blood. I came to the conclusion that they were mixed with some other race; afterwards Dr. J. S. Yarnell informed me that they are Cherokees. He gives no account of the history of the family except Sarah Fields is widow of George Fields and that Mary Evans was the wife of George Still. Dr. Yarnell is highly recommended."

Her case was subsequently reconsidered by the Secretary of the Interior and she was enrolled by Act of Congress and paid under appropriation of July, 1854. (See Act of Congress Roll).

Testimony therein and consideration of the case was set out in the "Statement of an examination of the report and accompanying papers submitted by A. Chapman, \* \* \* \*", on page 21 as follows:

Still, Sandell	50 years.	Bledsoe Co., Tenn.
Vilinta, d,	21 "	
Rhoda, "	18 "	
Isippi, "	16 "	
Cuzzana, "	14 "	
Riley, "	12 "	
Martin, s	11 "	
Allen, "	7 "	
Andrew, "	5 "	
Nancy, d	2 "	(born since Siler's Roll).

Remarks.

"This person was rejected by Siler in 1851 - Mr. Chapman says because he did not fully understand the case, regarding her to be a Catawba - and of course not entitled. Her claim is based on the Cherokee blood or rights of her deceased husband.

Geo. Fields' name is familiar to the Department as connected with the affairs of the Cherokees.

It is suggested that the claim be admitted."

Evidence.

James T. Gardenhire is personally acquainted with Mrs. Sandel Fields and all of her family - the list of 11 children and two grand children, etc. is true - was well acquainted with George Fields, her first husband, before and after their marriage - knows that he was a Cherokee and full

member of the nation - he enrolled and went to Arkansas - received one-half of his removal and subsistence money - came back for his family and died in 1841 or '42 in Tenn. - believes he was regularly married to his wife before Treaty of 1835 - certainly he lived with her as a husband and was so considered - Mrs. F. afterwards married Geo. Still, a Cherokee Indian, since dead, by whom she had Allen, Andrew and Nancy.

Wm. H. Roberson is personally acquainted with Mrs. Sandel Fields or Still - not with the younger members of the family. She was the regular wife of George Fields - knew him to be a member of the Nation.

Mr. Gardenhire also certifies that he is personally cognizant of John Fields marriage with Nancy Goen and of the existence of their child Lydia Jane living with the mother who is separated from her husband - also of the marriage of Mary Fields with Nathan Goen and of the existence of their child Robert."

From the above it appears that the Goins family aforementioned, if Indians, were Catawbas, and that Sandell Still, nee Goins, was enrolled on the Act of Congress Roll only because she had married a Cherokee prior to 1835. "Her claim is based on the Cherokee blood or rights of her deceased husbands." (See above).

In consideration of the premises, the applications of all persons claiming through John, James or Jim Goins and his children aforementioned are hereby rejected, with the exception of applicants claiming through Sandell Goins Still and her husbands, George Still and George Fields. The claims of such applicants, however, have been withdrawn from this group. (See group #10794.)

Dear Sir;

I am in receipt of your favor of the 13<sup>th</sup> inst. in which you ask me to give you the names of my father's brother and my mother's brother who got land in the Indian Territory, and the addresses of each.

I will state that my father's brother's name was Henry Goins. He went to the Indian Territory about fifty years ago or perhaps more. It was before I was born and I am 48 years old. He went among the Cherokees. I have learned these facts from my mother and my other relatives. He frequently wrote to mother and other relatives stating that he had land and that we could get land if we went. My father died when I was about two years old and my mother married a white man and he would not agree to go to the Territory. It has been fifteen years or more since we heard from him and we do not know his address nor whether he is living. My father had other brothers, and I am informed that

They also went to the Territory.

My Mother's brother to whom I referred, was named James Menard Loin. He wrote regularly to my mother till her death about 16 years ago. He went to the Territory when I was about five yrs old and came back on a visit to us when I was seven years old. I remember the time well. He told my mother that he got land for himself, his wife, and three children and he begged mother to go back with him but circumstances were such we could not go. The letters we had from him have been lost or destroyed and I don't know what his address was or is, and I do not know if he is now living.

I have heard of a great many of the Loin family being in the Indian Territory but they left here a long time ago and I can not give their given names nor any particulars about them further than I know.

I am sure that I am entitled to a share of the Indian Fund if there is one east of the Mississippi River who is entitled to it.

Truly Yours, Sarah J. Scott.

I have in forward you a list of names which I have forwarded were relations of mine and which I wish you to add to my application for my share in the "Edw Grant Eastern Delaware Claims". They are near relatives of my father Henry Starr through whom I claim to share and are as follows

Henry Starr (son) whose mother was Nancy Reese  
George Starr (son) whose mother was Cayla Reese (sister of  
Nancy M. Phoenix wife of Billy Starr and mother of the above)  
Co-tah-kee - Cah-ah-tah-kee - Co-tah-ah-nee - So-tiller. Are full blood Indians and closely related to my great grand mother Wade Reese.

Respectfully

Henry W. Starr.

My great, great uncle Ellis Starr had a son George Starr who died without descent his mother being Helilah Johnston. My Great uncle Washington or Wash Starr had one son Alexander or Clad Anna Starr who died without descent. My great uncle James Starr had a son and daughter Alexander Mc Coy Starr and Jennie Pack me Starr both died without descent. My great uncle Joan Starr had three children Joan, Nelly and Cay arm ia Starr they died without descent. My great uncle Sam Starr married Each ocha Sequoyah and they had one son Sampson who died without descent. My great uncle, Chu Lee see, Naked head or Squer Cook, John and Lucie Blumy locks full bloods - my father. And my great grand mother Lucie Reese who was enrolled in Sammy - the list as "Widow Reese".

was my grand father Fields Starr for whom she had three children, Henry, Ellis, and George Starr. Her second husband was Mathew Guerin for whom she had two children Elnorah and Sarah Guerin. Her third husband Oliver Miller for whom she had two children (twins) William Barnett, and Platoff Lourey Miller. On the same roll with my grand mother Polly Guerin were her children, Henry Starr (my father) incorrectly enrolled as "Henry Geavin". My uncle Ellis P. Starr whose Cherokee name was "Chut la" or Fox was enrolled twice, once under his English name Ellis and again under his Cherokee name "Fox". And my uncle George M. Starr was left off of this roll, and either the Cherokee or English name of his brother Ellis P. Starr substituted for his name. My aunt Elnoras White nee Guerin was enrolled as "Mariah Geavin" and my Aunt Sarah Adair now dead was enrolled as "Sarah Geavin" she being the only member of the family properly enrolled although the name "Guerin" was incorrectly spelled. My Uncles William Barnett Miller and Platoff Lourey Miller were twin brothers, but their surname Miller did not appear after their names and they were enrolled with the Guerin family. Uncle William Barnett Miller is dead but uncle Platoff Lourey Miller lives at Forum A. T.
